The following report was noted from the Director of Finance regarding the purchase of shares of the Harbour Park Developments Limited:

" Approval by the voters of the purchase of a portion of the Harbor Park property for \$2,000,000, the property to be used for public open space, necessitates certain actions by Council to appropriate the funds needed.

To consummate the action approved by the voters requires Council to provide the funds to purchase the shares of Harbor Park Developments Ltd., for \$6,400,000 to \$6,500,000, with the objective that the second property, the acquisition of which was rejected by the voters, be sold for development, for approximately \$4,500,000.

B. Purchase of Shares of the Harbour

- (1) appropriate \$2,000,000 of Revenue Surplus as a temporary advance, pending the sale of the debentures, borrowing authority for which the voters gave their approval;

- (3) appropriate an additional \$500,000 of Revenue Surplus, pending disposal of the second property.

I RECOMMEND the above actions be taken to provide the authority for the funds necessary to purchase the shares of Harbor Park Developments Ltd. "
